Food & Drink
Spring | Summer

We understand the importance of great food and seamless meal service on your special day. Our substantial experience in wedding catering has allowed us to develop sumptuous menus, ideally suited for large wedding banquets, that your guests will be talking about for years to come. What's more, we employ our very own experienced team of specialist chefs and catering staff allowing us to ensure the highest standards of catering on your wedding day - without fail.

Our ethos: local, fresh & homemade

We strive to provide food that is homemade by our chefs in our kitchens from fresh ingredients, sourced, where possible, from local producers & suppliers. We are located in a beautiful part of the world and we aim to support local businesses that produce quality ingredients; this in turn ensures that our catering continues to exceed our guests' expectations.

How our menus work

As standard, the wedding breakfast includes a set meal, consisting of a starter, a main course and a dessert, chosen for your guests from the menus enclosed. Tea and coffee served with delicious homemade petits fours is also included in the menu price. You will also need to choose your desired welcome drinks, canapés, meal & toast wines, and the evening buffet option that you would like us to serve. You can personalise your meal by adding additional options or courses marked with ♦ that will incur a supplementary cost. Alternatively, talk to your Personal Wedding Manager if there is specific food or drink that you have in mind for your special day.

Special requirements & allergies

All of our dishes can be adapted to be gluten free and we can cater for specific dietary requirements providing these meals are pre-ordered. We have delicious vegetarian (V) and vegan (Ve) options and some dishes can be adapted for vegan requirements marked with an asterisk*. We fully understand the severity of allergens and food intolerances and the effects they may cause. Unfortunately, we cannot guarantee that cross contamination will not occur during menu preparation. However, if you are unsure of what may be contained in any of our dishes then please consult the office or your Personal Wedding Manager who will be happy to help and advise.

What to do next

As you read through the mouth-watering food & drink options, make a note of what appeals to you so that you will be ready when you meet with us at your planning meeting four to six months before your big day. Don't forget options or courses marked with a ♦ incur a supplementary cost which can be found on the separate price list.

Liquid Refreshment

Meal Wine

Our Bar & Beverage Manager is constantly updating our wine list as we source new and exciting wines and so a current wine list will be forwarded to you about six months before your wedding, just before your planning meeting.

For the wedding breakfast, our house wines are the most popular choice. We include half a bottle of wine per person for the wedding breakfast in your package. It usually works out that non-drinkers are more than made up for by the heavier drinkers. Additional bottles of house wine can be added to your wedding breakfast, should you wish to offer more. Any wine not consumed during your meal will then be served to your guests free of charge during your evening reception. You may decide to choose different wines to complement each course and you can discuss this in more detail at your planning meeting.

Toast Wine

For toasts, we include one glass of the house Champagne per guest in your package.

Ports & Brandy's

We have a selection of ports to serve with a cheese course which is usually served during the speeches or you may choose to offer Baileys and Brandy as an alternative.

Bar Tabs

For the evening party you can decide whether you would like a card or pre-paid bar and if you choose to pay for the drinks we can help you decide on a probable amount at your planning meeting. The only type of card that is not accepted at the bar is American Express. All bar tabs are arranged on a pre-paid basis. The easiest option is to add this to your bulk invoice payable four weeks prior to your wedding but you may make the payment at the bar on the day if you prefer. Any unused bar tab will be refunded to you on your reconciliation invoice within 14 working days of your wedding.

We regret that the provision of your own wines and drinks is not permitted.
